Checking in at your practice

Open your Appointment

If you have accepted an appointment at your practice, it will be listed on your home screen.

Tap on "I'm here!" to check in

This feature will only be available near your appointment time. Your practice will be notified immediately. Check your chats to see if they sent you a message.

Tap on "Chat" to start a conversation

After checking in, use the Chat feature to let your practice know which parking spot you are in
